

Facilitation notes for ASV cosmology section meetings (March 2025)

- Zoom meetings will be recorded - we will tell you when we start recording
- The presenter will pause at appropriate points to allow questions and discussion.
- If you want to ask a question or add to the discussion, feel free to use the zoom raise a hand button, or put a question in the chat (see screenshot and instructions below).
- You can keep your (zoom) hand raised until you are done with the question or discussion point, some questions may require some back and forth discussion to resolve.
- We will turn off the recording at the end and there will be some time for informal discussion which will not be recorded.
- The recordings will be made available on the ASV website so people can view them if they missed the meeting.

To access chat and raising hand/lowering hand

1. Move your mouse pointer down to the bottom of the zoom window to make the toolbar appear (see screenshot below, red rectangle shows the relevant icons)

2. Click on the heart shaped icon above the word "React" to reveal the raise hand button, click on the raise hand button to raise your hand. A lower hand button will be visible while your hand is raised.

3. To view the meeting chat where you can type questions etc., click on the chat icon in the toolbar above the word "Chat"

From the ASV code of conduct:
